

10k CHALLENGE

How to get to the 10k & 2 mile fun run start

Directions to start

Leave the Leisure centre and walk down the ramp. Turn left and then right past the entrance to Pudsey Park. There should be an off-license on your left. When you reach the corner, turn left and go up the hill. You will pass the Butcher's pub on your left. Continue up and over the hill, passing Pudsey Park and the church on your left. Cross the road at the bottom of the hill and make your way to the cenotaph opposite the Stroom Restaurant. The start is just next to the cenotaph.
